# *about*

Welcome! I'm Josh and I'm a wedding & elopement photographer based in Carmel, California. My work is inspired by dramatic landscapes, natural light, and authentic moments. If you find a connection to my photos, I urge you to say hello. Whether it's a rustic Big Sur elopement, a vineyard wedding in Napa Valley, or a destination wedding in Hawaii, I would love to hear about your special day and how we can work together.

*BRINGING YOUR WEDDING  
STORY TO LIFE*

## I'M A FUN LOVING GUY WITH A HEART FOR PEOPLE & VISUAL STORYTELLING.

I've been photographing people for over 7 years professionally. I've been lucky enough to document some incredible stories throughout Hawaii, Oregon, and now California, where I call home along the Monterey Peninsula. Being from Oregon, I've always been attracted to the outdoors and as a result, my aesthetic emphasizes natural light & beautiful scenery in a way that provides a backbone to how I photograph and showcase every love story.

The more I get to know myself and understand why I do, what I do, the more I realize that my real calling and passion is working with people. Creating art will always come second. I want to connect with my clients at a meaningful level. Wedding days are intimate, exciting, tear jerking, beautiful, and romantic all in one blur-of-a-day, and it's humbling to document such an experience from every level.

If you feel a connection to my photography, I would be honored to get to know you more and to hear about your special day. Working with me is like working with a friend, and I pride myself in my ability to make everyone feel comfortable in their own skin and to bring out the real you in every photo. I love being a wedding photographer because I truly enjoy working with people and I am continually humbled and inspired with every wedding that I capture.

If you are looking to hire a photographer who values your story and will create timeless images for years to come, I would be honored to be apart of your special day.

Sincerely,

I send samples within 48hrs after the wedding. The final gallery will be delivered within 10-16 weeks after the wedding date.

## 2. DO YOU TRAVEL FOR WEDDINGS?

Yes! I'm based in Carmel but I love to travel for weddings. I've been lucky enough to capture some amazing stories all through California, Oregon, Hawaii, Washington, Missouri, and Minnesota to name a few. My passport is renewed and I will travel for wine =)

## 3. DO YOU HAVE INSURANCE?

I have full liability insurance to protect myself and my clients. All documentation can be shown to clients and venues upon request.

## 4. WHAT HAPPENS IF YOU CAN'T MAKE OUR WEDDING?

In all of my years as a photographer, I have never missed a wedding. If there is an emergency, I will have my 2nd photographers fill in, or we will find a suitable local replacement.

To reserve your wedding date, I require a signed contract with a 50% deposit payment. I cannot hold any dates until both are received.

I'm so happy that you found my work. I look forward to hearing from you soon!
